NARRATIVE

On 10/09/2013 at about 1922 hours (all times approximate) I was radio dispatched to a two car non-injury/partially blocking collision on SR 92 at Callow Road (a construction zone).

Arriving on scene I spoke with both drivers involved in the collision and identified two passengers. The drivers did not report any injury and their vehicles were moved for safety reasons off of SR 92 onto Callow Road.

Based on evidence and statements at the scene it is found that U1 and U2 had been traveling westbound on SR 92 at the intersection of Callow Road when construction back up traffic quickly slowed. The driver of U1 stated he had been listening to the radio (a mayor debate) and got mad so he reached to the radio to turn off the radio. The driver of U1 stated when he looked up from turning off the radio traffic ahead of him was quickly stopping and he was closer to U2 then when he had looked down to turn off the radio. U1 was unable to stop before hitting the back of U2 which was slowing/stopping for traffic.

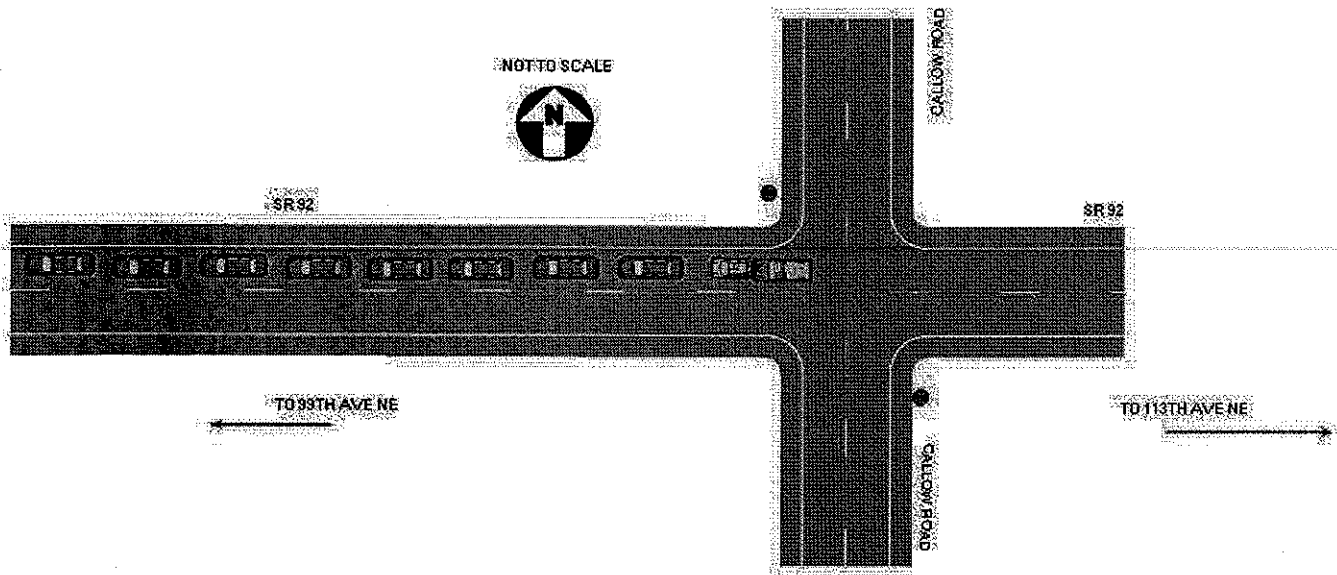

The driver of U1 stated he does not currently have vehicle insurance. The driver of U1 was cited for no vehicle insurance.

I facilitated the exchange of information between the two drivers and I took several digital images of the damaged vehicles.

At about 1950 hours both vehicles left the scene under their own power and I cleared the scene.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)
